- ✓ **Flexible Shelf Layout**
Adjustable style allows positioning across 5 shelves.
- ✓ **Ventilated Structure**
Vented style supports airflow around stored items.
- ✓ **Warranty Coverage**
Includes a 1-year limited warranty, offering reliable protection.

PRODUCT OVERVIEW

The ChefPro Series CPCS24x36 Shelving Kit is ideal for dry environments, front-of-house spaces, garages, kitchens, retail areas, stock rooms, and warehouses needing structured storage for supplies and equipment. Made from metal wire in a silver color with a chrome finish, it offers a 1500 qt capacity and a 24" x 36" size suited for commercial storage demands.

Designed in an adjustable, stationary, vented style, this kit includes 5 shelves that support airflow and visible product access. Overall dimensions measure 72 in (H) x 24 in (W) x 36 in (D), providing vertical storage that maximizes floor space while allowing flexible shelf positioning to accommodate varied inventory types.

NSF Listed construction aligns with commercial storage requirements, making it suitable for professional environments across multiple industries. Built for routine organizational needs in long-term setups, this shelving kit includes a 1-year limited warranty for reliable protection during regular use.
