SPECIAL FEATURES

- ✓ Ventilated Cooling**
 Ventilated cooling supports temperature distribution within the 35.6°F to 50°F range for food display in commercial kitchen environments.
- ✓ Glass Display Design**
 Double tempered glass with a top front opening structure provides visibility for displayed items in restaurant service areas.
- ✓ Mobility Setup**
 Four casters and two adjustable feet support movement and placement within a commercial kitchen or display area.
- ✓ Digital Control**
 A digital temperature controller with display allows chefs and restaurant staff to monitor settings during food handling.
- ✓ LED Illumination**
 LED lighting at the top, under shelf, and bottom improves product visibility inside the refrigerated showcase.
- ✓ Certified Build**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified, with a 1-year warranty by the manufacturer for standard compliance.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding open air / refrigerated unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 13 A electrical load and uses ventilated cooling for consistent air circulation across the display chamber.

The body is constructed using powder coated steel and glass in a black finish with double tempered glass. It features a curved design measuring 59" (W) x 33.2" (D) x 60.9" (H), suitable for commercial floor-based food display installations. The interior is finished with mirror stainless steel 304 for structured food placement and durability.

Temperature is maintained between 35.6°F and 50°F through a digital temperature controller with display. The system includes automatic defrost and automatic condensate evaporation, supporting continuous refrigerated operation in food service environments.

This unit includes LED lighting positioned at the top, under the shelf, and at the bottom for full display visibility. It is supported by 4 casters and 2 adjustable feet for movement and leveling. The display case is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
