SPECIAL FEATURES

- Stainless Steel Build**
 Stainless steel exterior supports durability and structured use in commercial kitchen environments.
- Dual Door Access**
 2 solid doors with left/right hinge configuration support organized ingredient storage in restaurant operations.
- Mobility Setup**
 4 casters with brakes and 5.75" size support movement and positioning in commercial kitchen layouts.
- Refrigerated Cooling**
 Refrigerated system with R290 refrigerant supports temperature holding between 33°F to 40°F for food handling.
- Adjustable Shelving**
 3 adjustable shelves with up to 155 lbs load capacity per shelf support flexible storage arrangements.
- Certified & Warranty**
 ETL listed certification aligns with commercial kitchen standards, and it includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Refrigerated Pizza Prep Table is designed for chefs and restaurant operations handling pizza assembly and cold ingredient storage in a commercial kitchen. It features stainless steel construction with a silver finish, supporting structured food handling environments. The unit offers a 22 cb3 capacity with a refrigerated cooling system and R290 refrigerant.

This pizza prep table includes 2 solid doors with door access and left/right hinge configuration, supporting organized storage. It operates on 115 V power with an energy consumption of 1800 kW Hr per year. The temperature range of 33°F to 40°F is controlled through a digital control system.

The unit is built with a thickened foam insulation layer and pre-coated aluminum interior, supporting internal structure and temperature retention. It includes 3 adjustable shelves with a load capacity of up to 155 lbs per shelf. The configuration includes an internal freezer and automatic defrost system.

It measures 71.93" (W) x 31.46" (D) x 45.08" (H) and is designed for freestanding installation. It includes 4 casters with brakes and 5.75" caster size for movement. Additional features include self-closing doors (stay open at 90°+), removable cutting board, lift-up lid with 3 opening angles, and support for 12 × 1/3 size food pans. It includes a 1-year warranty by the manufacturer.
